

Chance to Shine

what a night what a night it's so unbelievable
who am I to deny myself some love and joy

I'm afraid to talk about it I don't want to push my luck
every time that I get this close I tend to screw it up

No No No not this time
gonna give myself a chance to shine

I confess, I second guess myself right into blue
there's no way I will take a pessimistic view

Let it shine let it shine
no don't over think it
Let it glow forever bright
just want to drink it, just want to soak it up
